Motion was made by Mike and seconded by Suellen for reimbursement to Arlene for buntings \$17.99 x 6.

Main Street Baskets

- Dave is checking about possible fuel donation by city for the 4-wheeler during watering of plants baskets. He will also submit receipts for current fuel usage.
- Dave has been watering the plants in the morning and possibly later in the evening, depending on the temperature that day. Scott Carlson has been watering the arrangement in the mini park.
- Scott recommended fertilizer be applied. Preston and Arlene are comparing his suggestion to Miricale Grow.
- Cost is \$15-\$20 from Garden Answer – enough ordered for the rest of the summer would cost approximately \$100. Motion was made to approve by Mike and seconded by Vicky.

Heritage Wall

- Plaque map update was submitted to City Hall by Arlene.
- \$60 dollars was received for a plaque order.
- Mike will apply stencil to the locations that were selected while we are waiting for the plaques to arrive so people know that the spot(s) are spoken for.
- Arlene has dead-headed the rose garden and Preston Winn will spray the weeds.
- Roses look really good this year. Pictures of the rose garden will be taken once the new rose blooms open up.

Welcome Sites

- North site flag pole: Mike and Dave to fix leaning flag pole; needs to be dug up and straightened out.
- South site Spotlight is out - Dave notified Scott who will check it. This light will be kept track of during the winter to see how it does during the harsher weather. Raising the spot light with conduit is one suggestion if it becomes overwhelmed by the snow.

Yard of the Month

- May Yard of the Month was awarded to Shelby and Givon Campbell.

Social Media Page

- Yard of the Month article to be posted.

Mural project

- Dave has started gathering ideas for mural image(s).

Old Business:

Heritage wall:

- Link to map and application for bricks need to be addressed with the City of Weston so people can see what is available when they request a brick. Using a "paint dot" or marker of some sort on the spaces that were already spoken for was suggested so people know that those spaces are not available for purchase.

New Business Discussed

Tiger Scot flags at North Site

- Discussed flying the Tiger Scot flag, Suellen will contact Suzie Reitz to see if she knows how to get one or if one is currently available.

Paint Boarded windows on Long Branch and Old Post Office

- Discussion was started about beautifying the boarded areas on the Long Branch and the Old Post Office to help them blend in with down town.

Landscaping around Memorial Hall

- This project was enquired about by Dave as Tim Crampton who is currently doing it will be unavailable to perform that duty in the future, so he is going to get the details about it.

Meeting adjourned at 7:52 PM.

Next meeting: July 28 at 6:30 PM at the Stagecoach, Weston, OR.
